

for the dual-use technology program to be conducted during fiscal years 1998, 1999, and 2000.

(h) DEFINITIONS.—In this section:

(1) The term "dual-use technology program" means the program of the Department of Defense under which research or development of a dual-use technology (as defined in section 2491 of title 10, United States Code) is carried out and the costs of which are shared between the Department of Defense and non-Government entities. The term includes the dual-use critical technology program established pursuant to section 2511 of title 10, United States Code.

(2) The term "dual-use project" means a project under the dual-use technology program.

(3) The term "science and technology program" means a program of a military department under which basic research, applied research, or advanced technology development is carried out.
